C & C
LULU

My husband & I have lived in our house on Kilioe Place since we bought it in 1981. Our kids grew up playing in the cul-de-sac out front, and now our grandkids play there. We are a friendly neighborhood, with most of us having lived here for decades.

I stand strongly opposed to Mr. Wallace's proposal to provide 39 lots for 5 bedroom homes.

We can't handle any more traffic on our street!!!

Plus, what about the sewage issue? I haven't been convinced of any long term solutions.

Also, it grieves me tremendously how this proposal will do away with agricultural land that has been farmed for many, many years. Some say it's well over 100 years! I feel that if we allow this parcel of land to be re-zoned from agricultural to residential, that it will have a domino effect on other land here on the North Shore. Soon thereafter, people can call the North Shore "Kailua, Pt. 2", for it will be overflowing with too many homes and too many vacation rentals.

I can't stand what Wallace has done with one of his previous projects! His food trucks along Kam Hwy. are a hassle to walk past, as I walk past there nearly everyday with my young grandson in a baby carriage. Sometimes it seems like "Mission Impossible" to get past those trucks. And how come he doesn't take care of that place? There are some old, rotted, wooden steps that have been discarded right next to the walking path. Go look for yourself. It's disgusting how he makes a buck, then moves on to his next money making project.

It's clear to me that he will not followthrough with care and maintenance on any Kilioe Place project, because of how he has already neglected this previous project!

MISC. COM. 3092

COUNCIL

6/6/2017

Please vote against bills 55 & 56.

Sincerely, Karen Stangel
